CORNERSTONE HOMES OFFERING BACKYARD, KITCHEN AND CLOSING COST PROMOTIONS THROUGH DECEMBER 31

JACKSONVILLE, Florida (November 28, 2011) – CornerStone Homes wants area homebuyers to enjoy the comfort and luxury of a new home oasis. For a limited time, the Jacksonville area home builder is offering a choice of three oasis incentives in its Northeast Florida communities.

“Today’s homeowners want a retreat from hectic, fast-paced lifestyles,” said CornerStone Homes Managing Partner, Mark Downing. “With three incentive choices, we tailor to the needs of each client. Our backyard oasis offers outdoor features to create an incredible sanctuary. Modern conveniences as eye-catching as they are functional are free in our kitchen oasis package. And another great option is our closing cost promotion, where CornerStone Homes pays up to \$10,000 in closing costs.”

Homebuyers that choose the CornerStone Homes kitchen oasis will receive state-of-the-art upgrades including a General Electric stainless steel appliance package with built-in double ovens, 42” upper cabinets with crown molding, granite countertops and under mount sink, a sleek stainless steel chimney hood with drop-in cook top, a Moen pot-filler and custom-selected tile backsplash.

The new backyard oasis offers homebuyers a unique opportunity to create a lush paradise before moving into their new home. A covered lanai, ten-foot paver patio with pergola, grand outdoor fireplace, outdoor speakers for added ambience, a professionally designed landscape package and a stainless steel infrared gas grill by Char-Broil create a move-in ready alfresco retreat.

“Most homeowners put in hours of hard work to create their ideal backyard. We designed this unique opportunity to eliminate their workload and help our clients not only visualize their oasis, but actually create one before ever moving in,” said CornerStone Homes Interior Designer, Ana Yazdan.

As a local new home builder, CornerStone Homes is able to adapt its incentives to best meet homeowners’ wishes. The closing cost promotion is another example of tailoring to client’s needs.
