CORNERSTONE HOMES WINS 2009 PARADE OF HOMES AWARDS

JACKSONVILLE, Florida – CornerStone Homes received two gold awards in the Northeast Florida Builders Association 2009 Parade of Homes. dining room, making the St. Johns perfect for both family living and entertaining. The gourmet kitchen has a convenient breakfast bar, saddle-stained custom cabinetry, crown moulding and a tile backsplash. The owner's suite is privately secluded with a uniquely designed gallery entry and features a luxurious resort-style owner's bath. Rolling Hills at Lake Asbury is located in the heart of Clay County. Surrounded by great natural beauty, the community features tree-lined streets, exceptional amenities and beautiful homes by CornerStone Homes.

CornerStone Homes was also honored for The Charleston model home at RiverTown. Featuring interior design by the award-winning Sisler Johnston Interior Design, The Charleston combines traditional style with modern luxury in shades of blue, cream and mahogany. A welcoming front porch leads to the sweeping parlour and dining room gathering spaces. The family room, gourmet kitchen, entertainment bar and café combine for casual get-togethers. The Charleston has a separate guest suite above the garage that includes a kitchen, full bath and pantry. RiverTown is a new community located in St. Johns County alongside the St. Johns River.

The award-winning CornerStone Homes builds one-of-a-kind homes with outstanding quality craftsmanship and incomparable customer service. The company has received accolades, honors and high ratings for its excellence in homebuilding and customer satisfaction.

In a recent third party survey, 100 percent of the company's customers said they would enthusiastically recommend the homebuilder to others and nearly 40 percent had been referred to CornerStone Homes by previous clients.
