## **CORNERSTONE HOMES UNVEILS NEW FLOOR PLANS**

JACKSONVILLE, Florida – CornerStone Homes has introduced a new collection of innovative floor plans highlighting the company’s signature design style and energy efficient features priced under \$150,000. The new plans will be available in all communities CornerStone Homes builds in and can also be constructed on private homesites.

“Our new floor plans are designed with today’s active and economically conscious homeowners in mind,” said Mark Downing, managing partner of CornerStone Homes. “Homebuyers want a livable design with flexible spaces to meet their needs. Our new plans provide a wonderful opportunity to purchase a beautiful CornerStone home that is attractively priced.”

CornerStone Homes’ new designs offer one- and two-story floor plans starting at 1,200 square feet and priced from at \$149,900.

The new floor plans showcase the company's distinctive architectural style, open spaces and energy efficient features including Low-E windows and GE Energy Star appliances. The plans also feature many versatile options for homebuyers who wish to customize the floor plan and personalize the home to best suit their lifestyle.

And while its new plans are reasonably priced, the company will continue to build luxury custom homes. CornerStone Homes builds in every price range and offers personalized service at every price point. Buyers can be assured they are working with experienced, versatile experts who can make each home unique. The company is also not reducing its exceptional customer service or attention to detail. Buyers will continue to receive the personalized attention and quality they have come to expect from CornerStone Homes.

"Our team works closely with each buyer throughout the homebuilding process to best serve their needs," Downing said. "We take great pride in our homes, and we want our customers to be completely satisfied."

The award-winning CornerStone Homes builds one-of-a-kind homes with outstanding quality craftsmanship and incomparable customer service. The company has received accolades, honors and high ratings for its excellence in homebuilding and customer satisfaction.

In a recent third party survey, 100 percent of the company's customers said they would enthusiastically recommend the homebuilder to others and nearly 40 percent had been referred to CornerStone Homes by previous clients.
